Important Rules
(Tune: Twinkle, Twinkle)

The Nagging Chore

Song lists many
different types of
chores

Here are some rules for you and me,
See how important they can be.
Always be honest, be kind and fair,
Always be good and willing to share.
These are rules we all should know,
We follow these rules wherever we go.

Primary Sources...

Chaplain Rublin takes his turn sweeping out the chaplain's quarters in 1942. This shows that even that long ago and still today, taking turns is an important skill to learn that adults use as well.

In this photograph of a day care at a Greenwich house in New York in 1944. All children had to put away all their blankets after resting before they could do anything else. This was to promote individual responsibility in children to leave things how they found them (chores).
